- Area 3 - Shelter 8, vehicle access, no jumping castle

- Area 4 - Crusher Pavilion, contains kitchenette
- Area 5 - Amphitheatre
- Area 6 - Community Hall

Bookings apply only to the single area you choose in the park, and to the use of a rotunda or power (if the area you choose has these facilities). You cannot book barbecues, shelters (other than rotundas marked) or playgrounds for your specific use, though of course your group is free to share these facilities with other park visitors. Please note that power points may have different phases (that is, operate on different voltages), so it is advisable to check electronic equipment's compatibility before your event.
